PAPERWORK/PRIVACY ACT NOTICE

The information requested on this form is authorized by Section 223 and Section 1632 of the Social Security Act. The information provided will be used in making a decision on your claim. While completion of this form is voluntary, failure to provide all or part of the requested information could prevent an accurate and timely decision on your claim and could result in the loss of benefits. Information you furnish on this form may be disclosed by the Social Security Administration to another person or governmental agency only with respect to Social Security programs and to comply with Federal law requiring the exchange of information between Social Security and another agency.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security Offices. If you want to learn more about this, contact any Social Security Office.

The Paperwork Reduction Act of 1995 requires us to notify you that this information collection is in accordance with the clearance requirements of section 3507 of the Paperwork Reduction Act of 1995. We may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a valid OMB control number. We estimate that it will take you about 30 minutes to complete this form. This includes the time it will take to read the instructions, gather the necessary facts and fill out the form.
